APPLICATION PROCESS

1

Home universities must submit their nominations using our online form (linked in our email).

2

Once all nominations have been received, we will send a link to our online application form to nominated students.

3

After receiving the students' application, we will automatically issue and send acceptance letters to students not coming from EU member states. For students coming from EU member states, acceptance letters will only be sent upon request.

DEADLINES	FALL SEMESTER	SPRING SEMESTER
Nomination	May 15 th	October 15 th
Application	May 31 st	October 31 st
