Current Topics in Demography

Modul number: 3750160

Period: irregular

Degree: M. Sc. DEMO, M. A. SOZ

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Allocation and Economic Policy

Modul number: 3551420

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Applied Econometrics

Modul number: 3551430

Period: summer semester

Degree: M. Sc. DEMO, M. A. SOZ, M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Labour Economics

Modul number: 3551740

Period: irregular in the winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Area Studies: Asia

Modul number: 3350110

Period: winter semester

Degree: M. A. POWI

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Area Studies: Latin America

Modul number: 3350120

Period: summer semester

Degree: M. A. POWI

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Area Studies: Eastern Europe and the Baltic Sea Area

Modul number: 3350130

Period: summer semester

Degree: M. A. POWI

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Topics in Economic Theory

Modul number: 3551750

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

International Trade Theory and Policy

Modul number: 3551760

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Population, Globalization and the Environment

Modul number: 3750380

Period: summer semester

Degree: M. Sc. DEMO, M. A. SOZI

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Computational Data Analysis

Modul number: 3501180

Period: irregular in the summer semester

Degree: M. Sc. BWL der Dienstleistungen, M. A. SOZI

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Comparative European Governmental Accounting

Modul number: 3551660

Period: summer semester

Degree: M. Sc. BWL d. Dienstleistungen, M. Sc. VWL

Language: English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Demographic Research Seminar

Modul number: 3750080

Period: winter semester

Degree: M. Sc. DEMO, M. A. SOZ, M. Sc. VWL

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Demographic and Socio-economic Data Sources

Modul number: 3750440

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Introduction to Political Theory and History of Political Thought

Modul number: 3300140

Period: every semester

Degree: M. Sc. WIP

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Research Seminar Demography/Sociology

Modul number: 3750460

Period: every semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Advanced Macroeconomics

Modul number: 3551450

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Advanced Microeconomics

Modul number: 3551460

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Advanced Environmental and Resource Economics

Modul number: 3551770

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Analysis of Societies (Diagnosis)

Modul number: 3750410

Period: irregular

Degree: M. A. SOZ, M. Sc. VWL

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Analysis of Societies (Methods) - Empirics of Social Inequality

Modul number: 3750470

Period: summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Analysis of Societies (Theory)

Modul number: 3750480

Period: every semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Challenges of Demographic Change

Modul number: 3750190

Period: irregular

Degree: M. Sc. DEMO, M. A. SOZ

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Industrial Organization

Modul number: 3551780

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Integrated Reporting and Accountability

Modul number: 3551610

Period: winter semester

Degree: M. Sc. BWL d. Dienstleistungen

Language: English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

International Factor Movements

Modul number: 3550340

Period: irregular

Degree: M. Sc. DEMO, M. Sc. VWL, M. A. SOZ

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Analysis of Mortality

Modul number: 3750390

Period: irregular in the winter semester

Degree: M. Sc. DEMO, M. A. SOZ

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

New Political Economy

Modul number: 3551810

Period: irregular in the winter semester

Degree: M. Sc. Demo, M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Recent Developments in Demographic Research

Modul number: 3750350

Period: summer semester

Degree: M. Sc. DEMO, M. A. SOZ

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Economics of Climate Change

Modul number: 3551860

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Omnichannel Product and Services Marketing

Modul number: 3551620

Period: summer semester

Degree: M. Sc. BWL d. Dienstleistungen

Language: English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Quantitative Macroeconomics

Modul number: 3551820

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Regression Analysis

Modul number: 3750490

Period: winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Game Theory

Modul number: 3551830

Period: irregular in the winter semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Structured Literature Search and Meta Analysis

Modul number: 3750500

Period: summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Survival Analysis

Modul number: 3750510

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Theory and Policy of Public Revenue

Modul number: 3551840

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Comparative Political Theory: Methods and Contents of Investigations of Global Political Thought

Modul number: 3350080

Period: winter semester

Degree: M. A. POWI

Language: German or English

Credit points: 12 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)

Behavioural Economics

Modul number: 3551850

Period: irregular in the summer semester

Degree: M. Sc. VWL

Language: German or English

Credit points: 6 CP

Admission restrictions, participation requirements, learning and qualification objectives: [here](#)

[Back to the Table of Contents](#)
